Internship in Colombia for German/Italian Native Speaker

Company Description

L.O. Trading GmbH is a trading company established in Munich Germany since January 2010. Headquartered in Miami, FL -USA the company has provided industrial purchasing and logistics services for 17 year to the Latin American market. With the German office we intend to develop the European market for procurement services.

Purpose of the internship

- a) Increase the intern's understanding of international trade issues and processes. From developing new markets all the way to delivering goods.
- b) Provide the Company with the assistance and contribution of an outstanding young student or graduate.
- c) Recruit and train young and new personnel to grow from the bottom up in the organization.

Knowledge & Skills required

The intern shall be selected from last year bachelor or graduate students (up to the age of 30) in disciplines related to marketing, general management or logistics. Applicants must have an excellent knowledge of German **or** Italian (native level) and a good level of English. The intern must be able to work both independently and as part of a team and possess excellent research and communication skills. He/she must have proven ability to work in a multicultural working environment and must be able to multitask. Any knowledge of other languages -particularly Spanish-, shall be considered as an asset but are not considered as basic requirements.

Candidate should be capable of initiating and maintaining strong personal relationships. High degree of organization and self-motivation is required. This person must quickly learn the service offered and the market targeted.

Duties

Develop a Market entry plan for German/ Italian speaking countries. Determine the best way to contact the potential customers and what industries to focus on. Actively look for business leads in the industry and develop new customer relationships in the market.

Location: Medellín, Colombia

Intern Salary: 1,800.000 COP (ca. 750 EUR) + Bonus. (negotiable)
