Dear Participants,

we are looking forward to welcoming you to the workshop "Currency Hierarchy, Macroeconomic Policies and Development Strategies" (November 3, 2014) at Freie Universität Berlin, Boltzmannstr. 1, 14195 Berlin. Attached you find the current version of the program.

Here we send you some practical information:

First and most important: Please send us your papers until October 27 to Ms Martino (mgm@zedat.fu-berlin.de).

Second, we have set up a website where your papers will be made available to all participants. It is accessible via the login and password both "hierarchies":

<http://www.lai.fu-berlin.de/disziplinen/oekonomie/Workshop-Currency-Hierarchies/index.html>

There, you will also find the updated version of the program, the presentations of the last year's workshop on the same topic, and a location plan.

Third, please note you will have 15 minutes for your presentation, in order to give sufficient time for the discussion. The conference venue is equipped with a notebook and beamer. You may either send your presentation in advance to Ms Martino or bring it along.

Fourth, financial aspects: As communicated, we cover the costs for two accommodations, lunch and dinner on November 3 and transport from the hotel to the conference venue. Important for this: please bring your invoice for the two hotel nights with you to the workshop, where you will be reimbursed in cash.

Should you have any further questions, please do not hesitate to contact us.

In the meantime, we wish you a pleasant journey to Berlin.

Yours sincerely,

The Organizers
